

MONOCACY START CENTER ABA SERVICES
NOTICE OF PRIVACY RIGHTS UNDER HIPAA REGULATIONS

THIS NOTICE DESCRIBES HOW PSYCHOLOGICAL AND MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

I. Uses and Disclosures for Treatment, Payment, and Health Care Operations

We (Monocacy START Center) may use or disclose your protected health information (PHI), for treatment, payment, and health care operations purposes with your written authorization. To help clarify these terms, here are some definitions:

- **“PHI”** refers to information in your health record that could identify you.
- **“Treatment, Payment, and Health Care Operations”**
 - **Treatment** is when we provide, coordinate, or manage your health care and other services related to your health care. This includes consultation with another health care provider.
 - **Payment** is when we obtain reimbursement for your healthcare. Examples of payment are when we disclose your PHI to your health insurer to obtain reimbursement for your health care or to determine eligibility or coverage.
 - **Health Care Operations** are activities that relate to the performance and operation of our practice. Examples of health care operations are quality assessment and improvement activities, business-related matters such as audits and administrative services, and case management and care coordination.
- **“Use”** applies only to activities within our practice group such as sharing, employing, applying, utilizing, examining, and analyzing information that identifies you.
- **“Disclosure”** applies to activities outside of our practice group such as releasing, transferring, or providing access to information about you to other parties.
- **“Authorization”** is your written permission to disclose confidential mental health information. All authorizations to disclose must be on a specific legally required form.
- In all cases, we commit to using the “minimum necessary disclosure” principle in the use and disclosure of your PHI. This means that we will release the least amount of information possible to meet the request for your PHI.

II. Other Uses and Disclosures Requiring Authorization

We may use or disclose PHI for purposes outside of treatment, payment, or health care operations when your appropriate authorization is obtained. In those instances when we are asked for information for purposes outside of treatment, payment, or health care operations, we will obtain a written authorization from you before releasing this information.

You may revoke all such authorizations (of PHI) at any time, provided each revocation is in writing. You may not revoke an authorization to the extent that (1) we have relied on that authorization; or (2) if the authorization was obtained as a condition of obtaining insurance coverage, law provides the insurer the right to contest the claim under the policy.

III. Uses and Disclosures without Authorization

We may use or disclose PHI without your consent or authorization in the following circumstances:

- *Child Abuse* - If we have reason to believe that a child has been subjected to abuse or neglect, we must report this belief to the appropriate authorities.
- *Adult and Domestic Abuse* - We may disclose protected health information regarding you if we reasonably believe that you are a victim of abuse, neglect, self-neglect or exploitation.
- *Health Oversight Activities* - If we receive a subpoena from a Maryland Board of Examiners because they are investigating our practice, we must disclose any PHI requested by that Board.
- *Judicial and Administrative Proceedings* - If you are involved in a court proceeding and a request is made for information about your diagnosis and treatment or the records thereof, such information is privileged under state law, and we will not release information without your written authorization or a court order. The privilege does not apply when you are being evaluated or a third party or where the evaluation is court ordered. You will be informed in advance if this is the case.
- *Serious Threat to Health or Safety* - If you communicate to us a specific threat of imminent harm against another individual or if we believe that there is clear, imminent risk of physical or mental injury being inflicted against another individual, we may make disclosures that we believe are necessary to protect that individual from harm. If we believe that you present an imminent, serious risk of physical or mental injury or death to yourself, we may make disclosures we consider necessary to protect you from harm.

IV. Patient's Rights and Agency's Duties

Patient's Rights:

- *Right to Request Restrictions* - You have the right to request restrictions on certain uses and disclosures of protected health information. However, we are not required to agree to a restriction you request.
- *Right to Receive Confidential Communications by Alternative Means and at Alternative Locations* - You have the right to request and receive confidential communications of PHI by alternative means and at alternative locations. (For example, you may not want a family member to know that you are seeing me. On your request, we will send your bills to another address.)
- *Right to Inspect and Copy* - You have the right to inspect or obtain a copy (or both) of PHI in our mental health and billing records used to make decisions about you for as long as the PHI is maintained in the record. We may deny your access to PHI under certain circumstances, but in some cases you may have this decision reviewed.
- *Right to Amend* - You have the right to request an amendment of PHI for as long as the PHI is maintained in the record. Your request may be denied. If your request is denied and on your request, we will discuss with you the details of the amendment process. We cannot amend PHI if we are not the originator of the information.
- *Right to an Accounting* - You generally have the right to receive an accounting of disclosures of PHI. On your request, we will discuss with you the details of the accounting process.
- *Right to a Paper Copy* - You have the right to obtain a paper copy of the notice from me upon request, even if you have agreed to receive the notice electronically.

Agency's Duties:

- We are required by law to maintain the privacy of PHI and to provide you with a notice of our legal duties and privacy practices with respect to PHI.
- All Monocacy START Center employees and business associates (any entity or persons contracted with us who have use of or access to your PHI) have been trained in compliance with these privacy rules and have agreed to abide by all the provisions of the HIPAA laws at the risk of sanction should they be found in noncompliance.
- We reserve the right to change the privacy policies and practices described in this notice. Unless we notify you of such changes, however, we are required to abide by the terms currently in effect.
